Our Guests & COVID-19 Update #2

Dear Guests,

On behalf of Colborne Bed and Breakfast, we want to send you our best wishes for your health and peace of mind at this time.

- We have changed our latest response to the COVID-19 situation for the well-being of our guests and community and have decided to close our doors to visitors until further notice.
- If you need to change your plans due to a cancelled event or travel restrictions, we encourage you to rebook for a later date or to purchase a gift certificate to use when all of this has passed. Please note that deposits are being fully refunded for all cancellations at this time.
- We are sharing this policy to keep our guests up to date and to allow you to make personalized and informed decisions.

This information will be updated again on April 6, 2020 or earlier.

Please take care of yourself, your loved ones, and your community. Be safe, and we hope to see you later this year.

Sincerely,
Connie and Emilios Gergolas
