

COVID PRECAUTIONS

Our Top Priority

At Colborne Bed and Breakfast, the health and safety of our community and our guests is our priority.

As of September 22, 2021, Ontarians need to be fully vaccinated (two doses plus 14 days) and provide their proof of vaccination along with photo ID to access certain public settings and facilities. This approach focuses on higher-risk indoor public settings where face coverings cannot always be worn and includes indoor restaurants.

With the use of our indoor dining room, Colborne Bed and Breakfast needs to align with the newest government requirements. We will ask our guests to show their vaccine receipt when entering along with another piece of photo identification, such as a driver's licence or health card.

You can use this system to download your proof of vaccination:

<https://covid19.ontariohealth.ca/>

To ensure that you feel safe and secure when staying with us, we want to share with you the other steps and precautions put in place for your health and peace of mind.

As Hosts we are:

- practicing social distancing and wearing a mask when we interact with you
- washing our hands and using hand sanitizer frequently throughout the day
- maintaining our high standards in all parts of our home with enhanced cleaning procedures
- ensuring that our food service and preparation continues to be of very high quality and safety with physical distancing priorities in place

As our Guests, please

- social distance from those not in your household
- wash your hands and use provided hand sanitizer regularly during your stay
- wear a face mask while in our common areas and while being served breakfast
- wait until other guests have left the front entrance way or hall before entering

We hope that these details will help you to feel safe and secure while staying with us. Please talk with us if you have further questions. 1-519-524-7400

Sincerely,

Connie and Emilios Gergolas

Colborne Bed and Breakfast
