

## **Colborne Bed and Breakfast COVID-19 Guidelines**

While Ontario COVID-19 restrictions and policies are lifting, at Colborne Bed and Breakfast we have made the decision to continue to require our guests to provide proof of vaccination. This decision was not made easily but we feel that we still need to take these measures for the safety of our home, guests, and staff at this time. Thank you for your understanding and we promise to keep you updated of any changes to our guidelines.

Our food service will continue to be of very high quality and safely prepared and we will maintain our high standards in all parts of our home with enhanced cleaning procedures.

If you are staying multiple nights there will be no housekeeping service during your stay. However, if you require anything please let us know and we will be happy to provide it.

We hope that these details will help you to feel safe and secure while staying with us. Please talk with us if you have further questions. 1-519-524-7400

Sincerely,  
Connie and Emilios Gergolas  
Colborne Bed and Breakfast
