

Colborne Bed and Breakfast COVID-19 Guidelines

Effective October 1, 2022, the Government of Canada is removing all COVID-19 travel safety measures.

For the health and safety of our guests, staff, and families, we ask that any guests showing symptoms of COVID-19 please call to reschedule your stay. We promise to do our best to help you find another suitable time for your visit.

We will continue to maintain our high standards in all parts of our home with enhanced cleaning procedures. If you are staying multiple nights there will be no housekeeping service during your stay. However, if you require anything please let us know and we will be happy to provide it.

We hope that these details will help you to enjoy your visit while staying in our home. Please talk with us if you have further questions.

Sincerely,
Connie and Emilios Gergolas
